RECORD SERIES.

VOL. XL.

FOR THE YEAR 1908.

PAVER'S MARRIAGE LICENCES.

EDITED BY

JOHN WM. CLAY, F.S.A.,

Vice-President of the Yorkshire Archaeological Society.

PRINTED FOR THE SOCIETY.

1909.

INTRODUCTION.

PAVER'S Marriage Licences were begun to be printed by the Yorkshire Archæological Society in Volume VII. of their Journal. They were continued in Volumes IX., X., XI., XII., XIII., XIV., XVI., XVII., XX.

The Council of the Society having considered that in that form the work would take many years to be finished, decided to transfer it to the "Record Series."

The present volume takes it up where it was left off in the Journal, viz., from the year 1630, and continues it till the year 1644. Another volume will perhaps complete the work to 1714, which is the end of the MS. in London.

A full account of Paver's MSS. was given in the Journal, Vol. XX., p. 68, but it may be again stated that these licences, which were originally at York, were transcribed by William Paver, the Genealogist, in two volumes, which are at the British Museum, Add. MSS. 29667-8. The original MSS. at York are not believed to be in existence, at least the earlier parts.

The entries have been transcribed by Miss Osler, a copyist at the British Museum, and the editor has himself examined most of the proofs with the MSS., so it is hoped that the work is as perfect as possible, though sometimes difficulties have arisen owing to the contractions used by Paver, and to his frequent queries as to the spelling of the names.

It would appear that a good many licences were never used. The editor has gone through most of the printed Parish Registers to see if that was the case, and if the marriage really took place at the churches named, which was not always a certainty. So genealogists should exercise a little care in their acceptance of the licenses.
